

## **Best Practice Protocol for Stewardship in Landscape Initiatives**

FOOTPRINT provided a best practice protocol for the CapeNature Corridors, Biospheres and World Heritage Programme which addressed the following key areas:

- Background and Context of Landscape Initiatives in terms of Stewardship
- Best practice in terms of Legislation, Organisational Strategies and Policies and Mandate
- The expansion strategy in a landscape conservation perspective
- Stewardship within landscape initiatives
- Best Practice for Stewardship in a Corridor Formation Context
- Complimentary Mechanisms for Corridor Building
- Recommendations and Concluding Remarks
